Education and Languages

Bachelor of Science (Information Science): Sept.2019-Present (Expected Graduation:2023)

Leadership Experience: YMLP(Skopje),Debate Club

Languages: English (Fluent), Macedonian (Native)

Relevant Coursework

Algorithms and Data Structures (Java)

01.09.2021-10.01.2022

- Significantly enhanced my knowledge of commonly used data structures, including lists, trees, queues, graphs, and stacks, as well as the corresponding algorithms, problem-solving techniques, and complexity analysis through a course on algorithms and data structures.

Advanced Programming (Java)

01.09.2021-10.01.2022

- Developed advanced understanding of design patterns and problem-solving techniques through a course on Algorithms and Data Structures, with a focus on applying learned concepts to real-world scenarios.

Web Programming (Java Spring,HTML,CSS)

01.09.2022-01.01.2023

- Acquired expertise in web application development using the MVC pattern with Java Spring, including the ability to design and implement web applications, web services, and security mechanisms, as well as connect to and manipulate databases, and test and validate the functionality of the developed applications.

Object-Oriented Programming (C++)

10.02.2019-20.05.2019

- Gained a solid foundation in object-oriented programming, data structures, and structural programming through a course on the fundamentals of these programming concepts.
-

Work Experience

Telephonist at "Златна Книга"

01.06.2021-01.09.2021

- Working at Zlatna Kniga I gained a lot of experience working with people and communicating with customers, Assisted customers in finding and obtaining phone numbers by conducting searches within the company's database, resulting in improved customer satisfaction.

Technical Skills

Java(Intermediate),**Javascript**(Beginner),**HTML/CSS**(Intermediate),**C++**(Intermediate)
Java Spring(Intermediate),**SQL**(Intermediate)
